Community Distributed Generation: Introduction to Shared Solar

The West Valley Volunteer Hose Company Memorial Hall
9091 Rt. 240 West Valley, NY 14171

Thursday, May 18, 2017 from 6:00 PM to 8:00 PM

NYSERDA's NY-Sun PV Trainers Network, Town of Ashford, and Cattaraugus County invite you to attend the Introduction to Shared Solar Workshop.

This workshop will give an overview of community distributed generation, also known as shared solar, New York's newest mechanism for expanding access to solar to communities. The workshop will cover the NY solar market and incentives, shared solar models, rules, and regulations, and the role and concerns of different stakeholders in developing and managing shared solar projects including zoning and property tax concerns.

Local government officials who attend this workshop are eligible to receive complementary one-on-one technical support in designing and implementing solar policy in their local jurisdiction.

To register:

<https://www.eventbrite.com/e/community-distributed-generation-intro-to-shared-solar-west-valley-tickets-33504263153>

Presenters:

Representatives of the PV Trainers Network from Sustainable CUNY

For Questions Contact:

Crystal Abers

Cattaraugus County Director of Economic Development, Planning & Tourism

Phone: (716) 938-2310

Email: cabers@cattco.org

Fee:

This training is free to attend

About the program

The NY-Sun PV Trainers Network aims to expand adoption and reduce installation costs of solar energy in New York State. Through education, training, and technical assistance, the Network helps local governments and stakeholders identify opportunities, mitigate barriers, and create programs that drive development of solar photovoltaic (PV) markets in communities across New York State.

Please visit <https://training.ny-sun.ny.gov/> for more information on the NY-Sun PV Trainers Network.
