

TOWN OF ASHFORD

3rd Annual Rabies Clinic

(Dog & Cats Only)

DATE: Saturday, July 16, 2016 **TIME:** 1pm to 3pm

PLACE: Ashford Town Highway Barn
5460 Fox Valley Road

Due to Cattaraugus County Budget cuts, the Town of Ashford is now financing this clinic in its entirety. As a result, a voluntary suggested donation of \$5 per vaccination would be appreciated. The success of this program will determine the future of the Ashford Rabies Clinic.

***THANK YOU DR. MICHAEL REILLY OF THE
SPRINGVILLE ANIMAL HOSPITAL FOR THE
GENEROUS DONATION OF TIME ONCE AGAIN!***

Vaccinations are limited to 150 on a first come first serve basis. If you would like to help the rabies clinic, please contact Patricia R. Dashnaw, Town Clerk 716-942-6016 ext. 8
